♦ Rates listed are Annual Percentage Rates (APR) and are the current lowest rates based on approved credit. Borrower's actual rate may be different based on terms and conditions, and credit history. Best rates include all available discounts. 0.50% will be added to the loan rate if you do not agree to establish e-statements and have the loan payment automatically transferred from an Alta Vista Credit Union Account (excludes Regular Share Secured, Share Certificate Secured, Visa and Home Equity products). For a loan with a 5.24% APR, you will pay 60 monthly payments of \$18.98 per \$1,000 borrowed.
 ♦ Rate adjustments will be made based on LTV, mileage, and age of collateral.
